GHI Board Debates C. U. Loan Agreement

The special G. H. I. board meeting of November 5 was concerned mainly with whether to continue the servicing agreement that exists between G.H.I. and the Greenbelt Federal Credit Union. This agreement defines mutual procedures to be followed in case of default of payments by a G.H.I. member who also holds a Credit Union loan. Its five year period expires within a few days.

Manager Breashears stated the merits of the agreement were hard to assess since no defaults had occurred yet to test it. Director Helm made two points in urging its continuation; he interpreted it as giving G.H.I. first claim to judgements in case of defaults, and as limiting the lender to 80% of down payments. Director O'Reilly felt on the other hand that the original need for the agreement no longer existed, because G.H.I. now finances downpayments.

Mr. Comproni, speaking for the Credit Union, was invited to explain the mechanics of a loan. He noted that the existence of the agreement may in itself have prevented its application so far, since G.H.I. and G.F.C.U. work together to prevent defaults from occurring. Director Burgoon asked whether division of judgments on a pro rata basis might be better for both parties; Comproni agreed this was worth considering.

Director Shinderman voiced his opinion that the agreement was still valuable, provided for amicable cooperation between the two parties, and should be continued. The board passed his motion to have the manager and the chairman of the finance committee consult with a representative of the Credit Union on possible changes in the agreement.

Though Mr. Comproni explained that the agreement automatically continues after Nov. 7 unless G.H.I. cancels it, a motion by director Helm extended the agreement for 30 days after the finance committee report.

Turning to another matter, the question of whether G.H.I. can help out a member who has trouble selling his house, was posed by director Seay. Manager Breashears answered that G.H.I. can rent the house and sell it for a member when the market is good, so that the member need not pay "double rent" if he has bought another house. This solution to a vexing problem may not be generally known.

Gerton, manager of High's in Greenbelt, has served on the APB subcommittee on industrial, residential and commercial development. Wuermsier, an engineer with Westinghouse, has served on GHI committees on standards and is familiar with building codes. McDonald was former Greenbelt city manager from 1948 to 1962. Gibson, a relative newcomer to Greenbelt, is a lawyer familiar with zoning regulations and procedures.

The ERB conducts hearings on appeals by city employees. Herling, long concerned with employee-employer relations under collective bargaining, served on an ad hoc committee appointed earlier this year to review the new personnel system for the city. Downs has served on the APB for three years and is employed by the Maryland National Capital Park and Planning Commission. Mann has been a Labor Department investigator for 16 years in the field of minimum wage legislation.

Businessmen Elect Gerton

The Greenbelt Businessmen's Association held a meeting on October 24 and elected its officers for the coming year. Prior to the election, the resignation of Edgar L. Smith as President was accepted with regret. Smith stated that he felt a problem of "conflict-of-interests" might result because of his current position as Mayor of Greenbelt.

Newly elected officers are: President, Leo Gerton, (High's); Vice President, Charles Walton, (Greenbelt Theater), Treasurer; Jerry Maslanik, (Greenbelt Realty); and Secretary; Rita Fischer, (Greenbelt News Review).

New WMA Bus Service to Make 16 Daily Runs to Beltway Plaza

The new schedule for the WMA transit bus service to be inaugurated on November 25 will feature 16 runs between Greenbelt and Beltway Plaza and six express runs to and from downtown Washington, three in the morning rush hours and three in the evening rush hours. A complete schedule of the weekday service is printed in this issue.

High Rise Apartment Zoning Denied Saul

The zoning request for a \$25 million high rise apartment complex near Greenbelt was denied November 5 by the Prince Georges County Commissioners.

The vote on the Greenbelt Apartments was 2 to 2, meaning that the application failed for lack of approval. Commissioner Robert F. Sutphin moved to approve the request, arguing that the opposition presented "a lot of testimony but no evidence."

Baggett voted in favor of the motion, but Commissioners Brooke and Gladys N. Spellman voted to deny it. Mrs. Spellman said that the applicants had not proved a need or shown a change in the area to justify a change in zoning.

The proposed developer, B. Francis Saul II, had outlined plans for high rise and garden apartments and town houses on the 78-acre tract adjoining the Greenbelt Regional Park on Kenilworth ave.

The Planning Commission had recommended in favor of the rezoning after determining that the Interior Department, which had been interested in the tract for park land, was unable to get funds from Congress to buy it.

Lost Bikes at Police Office

Police Department Property officer Paul Reamy has completed an inventory of bicycles and tricycles which have been found or turned in to the Police Dept. Persons may arrange to look for lost bikes by contacting Officer Reamy.

In a short time, these articles will be disposed of in accordance with the law.

Art Goods to be Sold

The Arts and Crafts Guild is sponsoring a pre-Christmas exhibit and sale from November 22, through the Holidays.

Projects may be submitted between November 15th and 20th inclusive at the Twin Pines office. No projects will be accepted after Nov. 20th.

This will be an excellent opportunity to do some very interesting and leisurely Christmas shopping.

The fare from Greenbelt to and from NASA's Goddard Space Flight Center, Springhill Lake, Berwyn Heights and Beltway Plaza will be 25 cents. The total fare all the way to downtown Washington will be 60 cents. The run from Greenbelt Center to and from the 11th and Pennsylvania terminal will take 57 minutes.

The first trip to Beltway Plaza will leave the Center at 8:40 a.m. and reach the Plaza at 8:55 a.m. The last bus to leave the Center for the Plaza will be at 7:50 p.m., with the last bus leaving the Plaza for the Center at 7:35 p.m. These evening times will also be the last runs to Springhill Lake.

There will only be two runs a day to NASA, one in the morning and one in the afternoon. The first express downtown will leave Greenbelt Center at 6:45 a.m., and the first express run in the evening will leave the downtown terminal for Greenbelt at 5:22 p.m. Passengers desiring to travel downtown during the non-rush hour period will have to change to a D.C. transit bus either at Kenilworth Junction (Kenilworth and Eastern Ave.) or the new D. C. Transit J-4 at Beltway Plaza for the short run to Branchville and transfer there to the 82 bus.

An unusual feature is that there will also be express runs on Saturday. There will be two in the morning, leaving the Center at 6:40 a.m. and 7:45 a.m., and the return trips will leave the downtown terminal at 5:45 p.m. and 6:18 p.m. The Saturday schedule between the Center, Springhill Lake and the Beltway Plaza will be the same as on weekdays. No bus will run on Sunday.

Talks on Scholarship Problem

The question of who gets college scholarships and whether worthy students are deprived of them will be among the points discussed in a talk to be presented at the meeting of the High Point PTA, Tuesday, November 19, at 8 p.m. at the high school. Speaking on the topic, "The Importance of a College Education" will be Dr. Elmer D. West, Director of the Office of Statistical Information and Research the American Council on Education, and author of "Financial Aid to the Under-

POST OFFICE ISSUES RULES FOR OVERSEAS XMAS MAIL

(Ed. Note: The following is the first of a series of instructions and suggestions released by Postmaster Emory A. Harman of the local post office. Postmaster Harman also announced that a new Christmas Stamp will be issued this year and that the theme this year, as in previous years, will be **MAIL EARLY** plus a new one **USE THE ZIP CODE**.)

The period November 1 to November 20 has been designated for the mailing of Christmas parcels by surface transportation to members of our Armed Forces overseas. For Airmail parcels the period is December 1 to December 20. Greeting cards for the Armed Forces overseas should be mailed within the periods designated for parcels if they are to have a reasonable expectation of delivery prior to Christmas.

The term "Armed Forces overseas" includes personnel of our Armed Forces, members of their families, and authorized U. S. civilians employed overseas, who receive their mail through an APO, New York, New York, San Francisco, California or Seattle, Washington, or Fleet Post Office, New York, New York, or San Francisco, California, or Navy Post Office, c/o Postmaster, Seattle, Washington.

All articles should be packed in boxes of wood, metal, solid fiberboard, or strong double-faced corrugated fiberboard. All fiberboard boxes should be securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with strong cord. Unless completely packed and tightly filled, boxes are likely to be crushed. Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package. A slip showing list of contents and addressee should be enclosed in the parcel. Forms 2966 or 2976-A "Customs Declaration", completed by the senders are required on parcels to many destinations.

In addition to the articles normally prohibited in the mails, matches of all kinds and lighter fluid may not be mailed to overseas delivery offices. Cigarettes, other tobacco products, coffee, and various other items are prohibited in parcels addressed to some military post offices. The domestic rates of postage are applicable, and postage must be fully prepaid. When fourth-class parcel post rates are applicable, the zone rate from the post office where mailed to the post office through which the parcel is addressed will be charged.

Airmail articles weighing not in excess of 8 ounces are chargeable at the rate of 8 cents per ounce; those weighing over 8 ounces are chargeable at the rate of 88 cents for the first pound and 80 cents for each additional pound or fraction of a pound.

Addresses must be legible and complete, and should be prepared by typewriter or pen and ink. The correct forms of address for overseas military personnel must be used.

FINAL ARTS ON FILM SHOW

"Salute to the American Theatre" and "Pantomimes" are the films to be shown at the Jewish Community Center Wednesday, November 20 at 8 p.m.

THANKS

I wish to acknowledge, with deepest gratitude, the many expressions of sympathy extended to me during my recent bereavement.

My late husband, Gee Plakos, who was also known as the Chief, was very fond of Greenbelt and always looked forward to banking and shopping there. He enjoyed relaxing at the Center where he met and made many friends.

I will try to continue with the business according to his wishes.

Attend Welfare Conference

On November 13, Police Chief Robert A. O'Brien, Dr. William Weintraub and States Attorney for Prince Georges County Howard Chasanow, attended a welfare training conference on "Children in Conflict With Authority."

FAMILY FUN DAYS BEGIN

To the Editor:

Family Fun Day has started again. This year it is being sponsored by the Greenbelt Recreation Dept. instead of Twin Pines, and as usual all are welcome.

We had a wonderful turn out of about seventy people and all had an enjoyable time. The activities included skating, a movie for young and old, refreshments, basketball and ended with the women and children jumping rope.

From the youngest to the most sublime found an activity of their choice. While the main activities were going on, you could see in one corner the little ones playing with blocks, in another area, someone bidding four no trump, and perhaps somewhere else, friends and neighbors just chatting while keeping an eye on their loved ones.

We plan to have a Family Fun Day once a month, WATCH FOR THE DATE AND BE SURE TO COME.

Fun Day Committee

advertised for, applicants, thus assuring a number of candidates who may not be known personally to council members, and the council required a majority of four votes for an appointment, thus insuring that a small majority faction could not pack the advisory boards. We still feel that the qualifications of candidates should be published in advance, whenever possible. It is obviously impossible when there are 42 candidates for 13 positions, a situation we trust will not occur again. The background of the 13 appointees is published elsewhere in this issue as a part of our regular reporting.)

"Invitation To Bid"

Sealed Bids will be received by the City Council of the City of Greenbelt, 111 Centerway, Greenbelt, Maryland, until 8:00 P.M., Monday, December 2, 1963 for the purchase of one Dump Truck/Snow Plow. Specifications may be obtained from the City Purchasing Agent at the above address.

Hold Majorette Registration

The Greenbelt Majorettes, sponsored by the Ladies Auxiliary to the Volunteer Fire Department and Rescue Squad, are now accepting applications for membership. Minimum age is four years.

Practice sessions are held each Saturday morning from 10 till 11 a.m. at the Fire House. The Majorettes are now under new leadership, Miss Nancy Wyncoop, who has had seven years of instruction. Girls wanting to become a part of the Majorettes should come to the Greenbelt Firehouse at 10 a.m. any Saturday morning. Further information may be obtained by calling Mrs. Balch, 474-6004.

The Police Blotter

Part-time Police Officer John Fuston resigned Saturday, November 9. Fuston stated he had been working too many hours between his two jobs.

Among the items reported lost recently were a pair of glasses bearing the owner's name, a girl's white wallet containing some small change and keys, an algebra textbook, a tan, 5" long purse and a toy seal.

Reported as found is a boy's worn-out jacket which will gladly be returned to its owner upon proper identification.

Complaints during the past two weeks included one from a citizen on Ridge who stated that a school bus driver was turning into 16 court of Ridge and backing into 13 court. A summons was issued to the driver.

A resident of Ridge Road reported his car, a 1960 Turquoise Corvair Monza had been stolen on October 30.

The proprietor of one of the stores on Centerway reported a group of teen-agers had congregated in front of his store. He stated that they continually use that area as a hang-out and that there is also a history of broken windows. The investigating police officer found the group not disorderly but, nevertheless, disbursed them.

A citizen on Ridge complained that his son-in-law had broken into the house and, while there, had taken an overdose. The young man was taken to the hospital and later released to the Armed Forces police.

A citizen of Northway complained that a group of boys were shooting firecrackers in the woods behind his home. The youths were apprehended and, although they did not have fireworks in their possession, a Juvenile Field report was made regarding the incident and a copy sent to County Police. The ages of the youth were 12, 14 and 16.

A reported breaking and entering was received from a building. Entry was gained by jimmying the outside and inside doors. A small amount of money was taken from the petty cash drawer.

A citizen of Empire Place complained to police about two youths who were shooting in the nearby woods. Two 16 year olds were apprehended. Juvenile Field reports were made out on the youths and they were released to their parents.

A Greenbelt boy was bitten by a dog, described as a short, black and

Well Conducted Hallowe'en

It has been reported to the Chief of Police by officers who have served Greenbelt for a considerable time and by long-time citizens of Greenbelt that this past Halloween was the quietest in the last 15 years.

A summary of police complaints received indicates that there were three complaints about egg throwing, three concerning the use of firecrackers, two calls concerning vandalism to autos, two complaints about older children taking trick or treat bags from younger children and one call about leaves being on fire.

Chief O'Brien wishes to express his thanks to the City and to the parents who made possible a peaceful Hallowe'en. He also stated that proper recognition should be given to the young people themselves for exercising discretion, good control and conduct.
